

KEEP LOVE FLOWING

Keep *love* flowing.
It has to move to stay *alive*.
Like the *wind* that needs
to blow across wide open plains,
like a *river* that needs
to travel towards the sea.
Blow it to the *heavens*
like a dandelion seed,
send it out into the *world*
so it may find a home
in someone else's *heart*,
before it is released once again
to continue its *journey*.
